We are delighted to announce that our Ministry of Education and Taipei Economic and Trade Office (TETO) in Indonesia now open 2023 Taiwan Scholarship program for Indonesian students to pursue their degree programs (Undergraduate, Master, and Doctoral programs) in Taiwan. Additionally, we also provide 2023 Huayu Enrichment Scholarship (HES) to encourage more Indonesians to learn Mandarin in Taiwan for six months. The application deadline for both scholarship programs is March 31, 2023 and all official information regarding the scholarship applications are available only in [studiditaiwan.blogspot.com](http://studiditaiwan.blogspot.com).

Along with this letter, we provide you an announcement poster for Taiwan Scholarship and HES. It would be greatly appreciated if you would like to share these two scholarships information to your institutions, universities in Indonesia, and Indonesian students. With widely open arms, Taiwan expects to welcome many more Indonesian students to take degree programs and learn Mandarin in Taiwan.
